Supplementary immediate report – Entry into the electricity supply sector

Further to the Company's immediate report of January 28, 2024, regarding the Company's entry into the electricity supply sector and the MoU signed with Powergen Ltd. ("Powergen") for cooperation in the electricity sector, and further to section 1.9 of the Description of Company Operations in the Company's Periodic Report for 2023, a supplementary report is hereby issued that on April 9, 2024, the Company's board of directors approved the engagement between the Company and Powergen in a detailed shareholders' agreement, based on the principles set out in the MoU (the "Agreement"). The engagement was also approved by Powergen's board of directors and the Agreement is expected to be signed in the coming days.

It should be noted that the amendment to the section on the objectives in the Company's Articles of Association, which was a condition for the Company's entry into the electricity supply sector, has been completed and has come into effect.

Yours sincerely,

Bezeq The Israeli Telecommunication Corp. Ltd.
