Supplementary immediate report – Judgment striking out the motion for discovery and review of documents under Section 198 of the Companies Law

Further to the Company's immediate report dated June 24, 2018 and section 2.18.1(G) of the Description of the Company's Business in the Company's Periodic Report for 2022, regarding a motion for discovery and review of documents under Section 198 of the Companies Law for assessment before filing a motion for certification of a derivative claim on behalf of the Company regarding the sale of the Company's shares in 2016 by B Communications Ltd., a supplementary immediate report is hereby issued, whereby on September 19, 2023, a judgment was handed down striking out the motion.

In accordance with the judgment, the motion was struck out because it was filed more than five years ago and no hearing has been held due to a stay of proceedings in the case.

The judgment further held that the dismissal does not toll the statute of limitations on the claims underlying the judgment and no claim will be heard in this matter for the period between the date of the judgment and the date a new claim is filed, if filed.

Yours sincerely,

“Bezeq” The Israel Telecommunication Corp Limited
