

Press Release

Bezeq Group Publishes its 2024 Environment, Social & Governance (ESG) Report

Support for IDF soldiers and reservists, community contributions totaling NIS 15 million, and accessible communications for diverse populations across Israel's communities and periphery

Full report available at: [Corporate Responsibility \(ESG\) | Bezeq Group](#)

Holon, Israel – October 15, 2025 – Bezeq The Israeli Telecommunications Corp. Ltd. (TASE: BEZQ), Israel's leading telecommunications provider, announced today that the Bezeq Group, which includes Pelephone, yes, and Bezeq International Tech, published its 2024 ESG Report. This is the Company's sixth consecutive report, presenting its achievements, targets, and challenges for the coming years across the areas of Environment, Social, and Governance.

This year, the report focuses on strengthening Israel's national resilience during times of emergency, the establishment of a dedicated fund to support IDF soldiers injured in the "Iron Swords" war, reducing the digital divide, advancing diversity and inclusion, and ongoing efforts to mitigate environmental impacts.

Tomer Raved, Chairman of Bezeq Group: "I am proud to publish, for the sixth consecutive year, Bezeq Group's ESG Report. The report reflects our longstanding commitment to national infrastructure, our contribution to society, and our unwavering investment in our employees, customers, and the community."

Bezeq Group's contribution to Israel's economic and technological development

- Fiber optic network deployment reaching 2.57 million households (approx. 85% of Israeli households)
- Over 1.3 million 5G subscribers at Pelephone
- 84% of yes customers migrated to internet-based broadcasting (IPTV)
- Investments of over NIS 1.7 billion in infrastructure

Environmental efficiency

- 6% reduction in greenhouse gas emissions versus last year
- 17% improvement in electricity consumption
- 16% improvement in water consumption compared to 2023 (32% compared to baseline year)

Bezeq - The Israeli Telecommunications Corp. Ltd.
7 Hamanor Street, Holon 5886105

- Approx. 13% reduction in workplace accidents
- Completion of transition to green offices at yes and Pelephone – from reusable utensils to full waste separation

Bezeq Group during the “Iron Swords” war

Since the outbreak of the war, Bezeq Group companies, classified as essential enterprises in emergencies, operated around the clock to ensure continuity of telecommunications services for all Israeli residents. Company teams often operated under fire to provide secure connections for the IDF, security forces, evacuees from the South and North, and households nationwide.

Alongside infrastructure operations, the Group mobilized for the community: over 1,000 bomb shelters were connected to free internet services; hundreds of evacuated families received free telecommunications services; Pelephone deployed mobile service units and assisted thousands of soldiers and security personnel; yes provided free television services to thousands of evacuees; Pelephone and yes jointly established a command center and donated devices and content; and Bezeq International Tech provided internet connectivity to dozens of educational centers. These actions reflect Bezeq Group’s national responsibility and its commitment to ensuring civilian resilience even in times of crisis.

Key social impact

- 15,000 volunteer hours contributed by Group employees to community initiatives
- More than NIS 15 million in community donations
- Approx. 800 Bezeq Group employees serving in the reserves received recognition grants totaling approx. NIS 4 million
- Over 1,000 bomb shelters connected to free internet in the North and South during the “Iron Swords” war
- Adoption of the Givati Brigade Association by Pelephone and yes
- “PeleCash” initiative encouraging collection and recycling of old mobile devices
- “Docu-Young” project by yes supporting and mentoring youth villages in producing documentary films
- Establishment of technology knowledge centers for youth and educational programs in the periphery

External recognition

- Platinum Plus (AA) rating in the “Maala” Index – for the second consecutive year
- Participation in the Ministry of Environmental Protection’s “Zero Hour” mechanism
- Membership in international initiatives such as Valuable 500 and WEPs (Women’s Empowerment Principles)

Bezeq Group is progressing towards its long-term targets

- 50% women in management positions by 2030
- 40% women on the Board of Directors by 2030
- 20% employees from diverse populations by 2030
- Net Zero carbon emissions by 2050
