**Immediate Supplementary Report – Allocation of Frequencies and License Expansion  
Following Pelephone's Award in 5G Frequencies Tender**

Further to the Company's immediate supplementary report of August 13, 2020, the Company has been notified today by the subsidiary, Pelephone Communications Ltd. ("**Pelephone**"), that the Minister of Communications signed an order expanding Pelephone's general license, after its winning a cluster of frequencies in Tender 2019/015 for Advanced Mobile Broadband Services ("**5G frequencies**"), and that it has been allocated the 5G frequencies.

With the grant of the expanded license, Pelephone is beginning to operate the 5G frequencies at the broadcasting sites that have already been upgraded.

Sincerely,

Bezeq – The Israel Telecommunication Corp. Ltd.
