## **Immediate Report**

### **Legal Claim against Pelephone**

*Supplementary report to the report filed on February 12, 2013:*

Further to the above report regarding a claim and motion to certify the claim as a class action filed in connection with the malfunction on the network of its subsidiary, Pelephone Communications Ltd. ("**Pelephone**"), a supplementary report is hereby provided that on March 3, 2013, the Company received notice from Pelephone whereby an additional claim (and motion to certify it as a class action) in the same matter had been filed with the Jerusalem District Court against Pelephone, for an estimated amount of NIS 160 million.

According to the Petitioner, the members of the plaintiff group are all customers of Pelephone or customers of the companies hosted on its network ("Rami Levy" and "Hot Mobile").

Pelephone is studying the claim and neither Pelephone nor the Company is able, at the present stage, to evaluate the claim's likelihood of success.
