Immediate Report – Publication of the Ministry of Communications' notice to decide on structural separation by December 2025

Further to section 1.7.3.1 of the Description of Company Operations in the Company's periodic report for 2024, regarding the structural separation applicable to the Company and its inclusion in the Ministry of Communications' work plan for 2024, as part of additional focus points in the plan, an immediate report is hereby published that on April 8, 2025, the Ministry of Communications published its work plan for 2025, outlining key tasks, including the development of a staff team process to assess regulatory provisions for structural separation in telecom companies. The plan also sets a success metric if a decision is published on this matter by the end of 2025.

Yours sincerely,

Bezeq The Israeli Telecommunications Corp Limited
